

Team Captain Responsibilities

Help our classroom learn, work and belong together.

1 Care for shared spaces

Tidy shelves and cushions. Pick up dropped school supplies, sweep the floor, empty the compost and wipe tables using our classroom routine.

2 Help with chairs and seating

Help organize careful, safe chair stacking. Support fair turns with the four chairs with wheels and seats at the rainbow table.

3 Support lunchtime safety

Give calm, kind reminders and get the supervising adult when someone needs help or a situation feels unsafe.

4 Plan and lead PE

Prepare a teacher-approved activity. Organize equipment, explain and demonstrate the rules, include everyone and help tidy up.

5 Help host Werewolf storytelling

After our class learns the game, organize cards and turns, help run the game and share chances to narrate and practise storytelling.

6 Lead learning and reflect

Help your team start, listen to different ideas and share materials in every subject. Reflect on what helped and pass useful advice to the next captains.

Lead with kindness. Share the work. Ask an adult when help is needed.
