

Our community reflection

What makes a community fair, and what would we improve?

Choose one thing we could **improve in a community**. Write one short paragraph: explain **who is affected** and why it matters, name a decision and **who could help make it**, and say what you want to find out.

Write or dictate your paragraph. You may plan with a labeled sketch first.

Optional sentence starters

One thing we could improve is...

This affects... because...

A decision that could help is...

We still need to find out...

Listen and make one sentence stronger

Partner: Point to the clearest reason and say what makes it clear.

Writer: Circle your next inquiry question in the paragraph. Revise one sentence below with a more precise reason or example, or a more useful inquiry question.

Use a community example. No private personal or family details are needed.
