

My Grade 6 Learning, Technology & AI Agreement

This is a classroom learning agreement, not a legal contract. We can revisit it as our class learns.

NAME I USE _____

ROTATION ROOM / DATE _____

RECEIVING TEACHER _____

1 TECHNOLOGY HELPS MY LEARNING WHEN...

Write or draw one real purpose: imagine, practise, organize, check, communicate, create, access support, or collaborate.

2 HABITS I WILL PRACTISE

- ☐ Protect names, passwords, photos, schedules, and private details.
- ☐ Keep the important thinking and final decisions visible as mine.
- ☐ Check important claims in a current, named source.
- ☐ Say when AI or another tool helped and what it did.
- ☐ Stop and ask when a tool requests private information or I am unsure.

3 MY PERSONAL COMMITMENT

When _____, I will _____ because _____.

4 I WILL STOP AND ASK WHEN...

Name one situation in which checking with the teacher or another trusted adult is the responsible next move.

5 A SUPPORT THAT HELPS ME LEARN

Examples: seeing a model, hearing directions, extra rehearsal, a quiet start, working with a partner, or feedback before the final version.

6 ONE QUESTION FOR MY TEACHER

Ask something that would help you make a good learning or technology decision this year.

BEFORE I SIGN

I understand these commitments and can explain them in my own words. I know the agreement can be discussed and improved.
